

# What Is Your C-Suite Hiding?

Most corporate crime is carried out by people in high-profile positions.

Companies that selectively or lightly screen new executives and board members **are the most vulnerable** to corporate fraud and corruption.

58% of company fraud is committed by management and executives.

They've been lying a long time. 48% of internal crime is committed by employees with 6+ years of career experience.

"Asset Misappropriation" is the most common type of fraud. **The median loss: \$130,000.**

## Impact of Executive Fraud on Companies

Bad executives **take up to a year to replace**, a process that can cost up to **3x their salary.**
